LES FERMOIRS HERMÈS

Pour Hermès, le fermoir est un bijou. Fidèle à l’esprit de son métier d’origine, la maison crée des attaches harmonieusement intégrées, faciles à utiliser et d’une grande solidité. Des pièces à l’esthétique simple et fonctionnelle, au service du mouvement et du corps. Cette attention portée à la conception de systèmes d’ouverture innovants et ingénieux est devenue une spécificité des bijoux Hermès, une signature d’Hermès Bijouterie Joaillerie.
